

Acme Paper & Supply Co. Honored as Best-Run Company in Greater Washington, D.C. metro area

Acme named to elite 100 companies list for second consecutive year in the SmartCEO100 Best-Run Companies program

Washington, D.C. – Acme Paper & Supply Company, a leading distributor of innovative, customized and cost-effective packaging, supplies and equipment for janitorial, foodservices, manufacturing and retail industries, has been named to the **2012 SmartCEO100 List for the Best-Run Companies in the Washington, D.C. metro area by SmartCEO magazine.** SmartCEO recognizes Acme for the second consecutive year in its Best-Run Companies program with this award complimenting its 2011 honor for the Baltimore area. The prestigious accolade honors 100 companies that are leaders within their industries and have experienced consistent growth.

The SmartCEO100 Best-Run Companies program is a community of the 100 most proactive, profitable companies in the region. SmartCEO honored these companies with three exclusive events in 2012 and this selected group is profiled in the SmartCEO100 Book. The 13th edition of the SmartCEO100 book gives the SmartCEO100 group the opportunity to tell their stories to more than 135,000 CEOs throughout the mid-Atlantic.

“The Best-Run Companies have the vision, talent, customers and internal processes in place to serve as strong examples to others in their markets and industries,” said SmartCEO president and founder Craig Burris. “These companies have stood the test of time and have a proven track record of outperforming competitors. Their brands have created a strong reputation in the community they serve and we are very proud to recognize them and wish them continued success.”

The final event of the year celebrating this honor takes place on December 13, 2012 at the SmartCEO100 Mid-Atlantic Best-Run Companies Conference held at the Baltimore Hilton in Baltimore, Md. This all-day event will feature high-level speakers, breakout sessions and an awards program to select the SmartCEO Best-Run Companies in the mid-Atlantic.

“We are honored to receive this recognition because it validates the work we have put into making Acme the company it is today,” said Steve Attman, co-owner of Acme Paper and Supply. “We are a third generation family-owned and operated business that prides itself on providing superlative customer service and making sure our employees are given the best opportunities to be successful.”

About Acme Paper and Supply Company

Founded in Baltimore in 1946, Acme Paper & Supply Co., Inc. is a third generation family-owned and operated company led by brothers and co-owners Ron, David and Steve Attman. Acme is among the nation’s largest distributors of disposable food service packaging, janitorial equipment and supply, restaurant equipment and supply, retail and industrial packaging, and custom-designed packaging. Its ‘green initiative’ makes it one the largest stocking distributors of sustainable products within the United States. Acme is also involved in product development and it provides customers with innovative distribution solutions to help increase profitability. **Acme...much more than paper.**

About SmartCEO

SmartCEO is an exclusive community of CEOs and business leaders with a mission to educate and inspire our community through the pages of our magazine, connections at our C-level events and access to valuable online resources. With over 10 years of consistent growth, our communities comprise business leaders who are visionaries, mentors and well-respected leaders whose experiences benefit their own organizations and the communities in which they serve. Growing companies are SmartCEO companies.
